

Kids 4 KINSHIP is being developed as a way to involve the children of the CLC in the privilege of spreading the Gospel of Jesus Christ around the world by...

- 1) **Praying**
- 2) **Giving**
- 3) **Loving**
- 4) **and Learning!**

Each year the KINSHIP Committee will work together with our overseas missionaries to choose one particular foreign mission opportunity for the children of the CLC to pray for, give to, love, and learn about. Posters, lessons plans, handouts, and other materials will be developed and distributed annually at the CLC Teachers' Conference.

Students and schools are encouraged to use the Kids 4 KINSHIP collection boxes throughout the year. The offerings are then to be sent to the KINSHIP Committee by May 10th for distribution in June. Offerings from the 2011/2012 school year will be sent to the new orphanage of the HCLC-Nepal to assist in purchasing beds, blankets, school uniforms and supplies, cleaning supplies, clothing, and other needed supplies. This orphanage recently began with seven children. The KINSHIP Committee has authorized and is seeking sponsors for up to ten orphans.

I am hopeful that teachers of the CLC will volunteer to help develop unit studies for the specific countries that will be featured in coming years.

Resources for the 2011/2012 school year were developed by teachers Candy Ohlmann and Jennifer Ohlmann and Pastor Todd Ohlmann.
