

The Kids 4 KINSHIP program provides a way to involve the children of CLC Sunday Schools and Christian Day Schools in the privilege of spreading the Gospel of Jesus Christ around the world by...

- 1) Praying*
- 2) Giving*
- 3) Loving*
- 4) and Learning!*

Each year one specific project involving our work with children overseas will be featured so that the CLC will be able to focus in as they pray for, give to, love, and learn about their brothers and sisters in Christ of another country or region. Unit studies, Lessons plans, handouts, and other materials will be developed and distributed at the annual CLC Teachers' Conference and will then be made available on this website. Sunday School Teachers will also be able to download these resources for use in their Sunday School classes.

Students and schools are encouraged to use the Kids 4 KINSHIP collection boxes (the old Reach the Children boxes) throughout the year. The offerings are to be sent in to KINSHIP by May 10th for distribution in June. Offerings from the 2012/2013 school year will be sent to the preschool of the CLC-Tanzania congregation in Makanya, Tanzania. The offerings sent by our children will be used to purchase basic supplies for teaching the 156 students enrolled, many of whom are from Muslim families.

Downloadable Resources for the 2012/2013 school year will be available soon.

The lessons are currently being developed and should be available for download soon at: www.lutheranmissions.org/kinship/kids-4-kinship. You can also find this link by hovering over the KINSHIP tab at: <http://www.lutheranmissions.org> and clicking on the drop-down menu.
